Subject: RE: IL IDOA 2019 Misuse Enforcement spreadsheet

Hi Kari:

Thank you again for providing this spreadsheet! I've had a chance to look it over and would like to have the following cases pulled in advance of our year-end review next week:

<u>IDA Sequence Number</u>	<u>Company/Applicator Name</u>
11766	Hamel Seed & Farm
NA	Conserv FS
12561	Roberto Diaz
12003	Mosquito Joe
12423	Curless Flying
12529-12532	Nutrien Ag
11720	Landworks Lawn Care
12008	Tru Green
11781	Lawn Barber
11725	Heimos Greenhouse
11938	Greg Fleming

I was unable to locate a sequence number for the Conserv FS inspection, however the inspection type was a "license check" and occurred on 8/15/19 in Woodstock.

Please let me know if you have any questions or if I can provide any further clarification.

Thanks!

Claudia –

Suzanne asked I send you my list of cases so you can pick which ones you would like to review during your time here in a couple weeks. I am sending you my spreadsheet – 2nd tab is all of the misuse cases. If the entire ROW is highlighted:

- Highlighted in blue – closed or withdrawn
- Highlighted in peach – warning letter
- Highlighted in yellow – Advisory letter
- Highlighted in green – Notice of Fine sent
- No highlight – still pending return from inspector or still in review.

Let me know if you want something less daunting and I will do my best to get it to you!
